Serial No 3V	A draft Submission Note and a draft letter to the 1st Asst to the Road Board about the Sampige tank works are put up for orders. Dwarangadas 23/12
Dwarn	

Ins 157-13.

Submitted to His Highness

The question of draining the swamp along the eastern margin of the Sampige tank in the Bangalore City and of effecting certain alterations in the bund, weirs, &c , of the tank so as to protect from floods the compounds of certain bungalows situated within the limits of the Civil and Military Station, is being repeatedly urged on the Durbar by the Residency.

2 The works necessary for the purpose have been proposed by the Department of Public Works and the estimated cost of the project is Rs.14,160.

3 The Municipal Commission of the Civil and Military Station and the owners of bungalows situated therein have promised to contribute in all a sum of Rs 8000/- towards the cost of the proposed works, and the Bangalore City Municipal Council have agreed to pay a sum of Rs 4,000 therefor from their closing balance at the end of the year.

4 There is still the balance of Rs 2,160 to be found The owners of Bungalows in the city limits decline to contribute anything towards these works on the ground that they are not directly benefited by them There is, however, no rule or law whereby these owners can be forced to pay contribution for this purpose

5 As the general sanitation of the locality will be greatly improved by the works in question, the balance of Rs 2160 may, as a special case, be met from the General Revenues of the State.

6. Accordingly, I solicit the sanction of His Highness to the estimate and also to the mode of

Ind 157-10

financing the proposed project

BANGALORE

5th Dcer 1913.

My dear Dewan Sahib,

Would you kindly let me know how matters stand in regard to the Sampige tank.

In our letter No 5388, dated the 6th Sept, I invited you to consider whether the estimated cost of drainage, (Rs 12,000), might not be equally divided between the City & Station Municipalities, ~~in equal shares~~, but I at the same time suggested that the work might be taken in hand at once on the basis of Rs 8,000 being paid by the Station & Rs 4,000 by the City.

We do not appear to have received any reply to this letter.

I understand, I hope correctly, that the Darbar will kindly arrange for the actual work & there seems to be no reason why it should not be put in hand immediately, if it has not already been commenced.

Yours very sincerely

M. Visvesvaraya Esqr, C.I.E.,

Dewan of Mysore.

BANGALORE

D. O. No 1103

6th December 1913

My dear Sir,

I duly received your demi-official letter enquiring how matters stand in regard to the Sampige tank ~~and state as follows~~ -

The City Municipality of Bangalore agrees to contribute only Rs 4,000 towards the proposed work, but the bungalow owners within the City limits adjoining the Sampige tank are unwilling to pay any contribution They contend that the work is not beneficial to them and there is no law whereby they can be obliged to pay a reasonable proportion of the cost of the work

On the basis of a payment of Rs 8,000 by the Station and of Rs 4,000 by the City, the Durbar will arrange for the actual work Correct finals plans and estimates are under preparation and ~~it is expected that the work will be put~~ in hand before the end of the current month. No time will be lost in putting the work in hand

I hope to be able to write to you again very shortly

Yours sincerely,

6/12/13

Rec'd 26/9/13 Issued 7/10

Office of the President, Municipal Council,
Bangalore City, 26th September 1913.

Memo.

Submitted to the President.

When the reference regarding the draining of the swamp to the east of the Sampige tank was received from Government the Municipal Engineer was requested to send a list of the owners of bungalows in the City limits that were suffering on account of the swamp. His report is that the waste weir Channel of the Sampige tank runs through two bungalows of Mr. St, Clair Johnson and that there are no other bungalows in the City limits by the side of the tank and that even the two bungalows referred to are not in the tank bed.

Mr. St. Clair Johnson was however informed of the Government Order and was asked to contribute towards the cost of draining of the swamp but replied that he could not do so.

His reply is in the records herewith submitted for reference.

Mr. St. Clair Jonnson has four bungalows in all in this locality namely -

Door No. 2 Sampige House ✓
" 3 Maple Croft ✗
" 4 Long mere ✗
" 5 Clovelly ✓

It is through Door Nos 2 and 5 that the channel runs Beyond this the water flows through the compound of door No. 3 ✓ on the Lal-Bagh Road belonging to Mr. S.J. Wilson of Travencore ✓ and through the land of Mr. Salar Khan after which it crosses the Lal-Bagh Road.

Mr. Wilson and Mr. Salar Khan will have to contribute towards the improvements as also Mr. St. Clair Johnson in as much as by the construction of a seperate waste weir the flow of water will be entirely diverted as shown in the plan in the records and the land occupied by the channel will be utilised

by

by the owners concerned.

9

There are 3 other bungalows in this locality which are affected by this channel namely,

No. 1. Fort Road, Hajee Usman Sait

No. 1. Lal-Bagh Road, Hajee Usman Sait.

No. 2 Lal-Bagh Road, Captain J.A. Dickso

Maple Croft and Long Mere, are also not directly affected by the channel. It seems that Long Mere has been sold to Mr. J.E. Mortin.

My dear Sir,

With reference to this office letter No 3748 / mb 13/-13)-3 dated the 17th Sept last about the contribution to be made by the Bangalore City Municipality for draining the swamps of the Sampige tank and your Demi-official letter No 97, dated the 26th Sept last forwarding copy of a memo drawn up by the Vice-President on the bungalow lands in the City to be benefitted by the proposed works, I am desired to state that when the owners of private bungalows in the area concerned in the C & M Station have agreed to pay for the advantages they will reap from the project after it is duly carried out, it is not clear why the three gentlemen, Messrs Clare Johnson, Wilson and Salar Khan, owners of properties within the City limits, should not be persuaded to contribute a reasonable amount of money towards the cost

Similarly circumstanced

I am to request you to be so kind as to give your personal attention to this matter & favour Govt with a final reply at your earliest convenience

I have Your Sincerely

Rao Bahadur Arcot Narasinga Mudaliar
Dewan Bahadur M. C. Rajamanikam
Chetty Esq
President 2nd Council
Bangalore City

Enclosure 1

OFFICE OF THE MUNICIPAL COUNCIL

Bangalore City, 30th September 1913.

From

DEWAN BAHADUR RAJA SABHA BHUSHANA
K P PUTTANNA CHETTY, ESQ,
Hony President, Municipal Council,
Bangalore City

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments,
Bangalore.

SIR,

With reference to correspondence ending with your letter No 3748/M1.151-13-3 dated the 17th Instant, enquiring what precise sum the City Municipal Council is willing to contribute towards the cost of draining the swamp along the eastern margin of the Sampige tank, I have the honor to state that the subject was placed before the Municipal Councillors at their meeting held on the 27th Instant and they have resolved to contribute a sum of Rs 4000/- towards the total cost of the work A copy of the Municipal Council's resolution is herewith forwarded.

2. The cost may be met out of the closing balance of the current year, as it is not possible to find funds by a reappropriation of sanctioned grants.

I have the honor to be

Sir,

Your most obedient servant,

K P Puttanna Chetty

Honorary President

12 The General and Revenue Secretary's letter No. 3743 MI 151-13-0 dated the 17th September 1913, stating that, the Chief Engineer has been requested to submit plans and estimates for the draining of the swamp along the eastern margin of the Sampige tank at an estimated cost of Rs 12,000 as the work is very necessay in the public interests, that a substantial contribution will be made by the Municipal Commission of the Civil and Military Station and the owners of bungalows thereat towards the cost of the works, if a sum not less than Rs 4000 will be provided therefor by the City Municipal Council, and calling for the Council's opinion as to the precise sum they are willing to spare for the purpose.

Resolution - Resolved that a contribution of ₹4000/- be sanctioned towards the cost of draining the swamp in question to be met from the closing balance of the year.

"COPY".

Sd. K.P. Puttanna Chetty, Honorary President.

For Honorary President.

114a

Office of the President, Municipal Council,
Bangalore City dated 27th October 1913.

Dear Mr. Narasinga Rao,

Please see your D.O. No. 4057/M1. of the 2nd Instant. I have interviewed Mr. St. Clair Johnson the gentleman most interested in the question. He represented that the owners of Bungalows in the Civil and Military Station which are inundated by the accumulation of water in the swamp had every reason to pay a contribution for the reclamation works. The case is far different with the owners of bungalows in the City side. These are not inundated at all. They are high and dry. The removal of the existing swamp will not benefit them much. The existence of the Sampige Tank which dries up annually is a source of nuisance to them. They would gladly pay a contribution if the tank is fully drained, the bathing ghaut only being retained.

The City Municipality has agreed to pay Rs 4000/-. The Civil and Military Station should be made to contribute an equal amount besides the promised

owners

Sir,

Date of issue 31/12/13

Signed by Sir D M Narasinga Row

With reference to the correspondence ending with your letter No 5398 dated the 6th Septr 1913 about dr the swamp along the eastern margin of the Sampige tank in the Bangalore city, I am directed to state that the works are now estimated to cost Rs 14,160 or Rs 2160 more than the original estimate, the excess being due to the necessity for altering the original alignment of the surplus channel to suit the present conditions.

2 The contributions promised for the work amount only to Rs 12,000

over

UBJECT

Comprising Rs 40,000 from the Municipal Commrs. Bangalore city and Rs 8,000 from the C & M Station Municipality and Bungalow owners On mature however of the special circumstances of the case the Durbar have decided to meet the balance of Rs 2,160 from their General Revenues and have ordered that the works be immediately started.

3. I am to request you to be so good as to arrange for the Confirmation of Rs 8,000 due from the C & M Station being transferred to the credit of the Durbar
